

## 2009 Kilowatt Cup Application

- \*Is your building deserving of special recognition?
- \*Have you overcome unusual obstacles on the road to energy efficiency?
  - \*Made significant advances on a shoestring?
  - \*Earned special honors or reached a milestone?

We encourage you to apply for the **2009 Kilowatt Cup**, which will be presented to the owner or operator of a property that demonstrates superior achievement in energy efficiency.

To apply for the Kilowatt Cup, please send the following information to [kilowattcrackdown2009@louisvilleenergyalliance.org](mailto:kilowattcrackdown2009@louisvilleenergyalliance.org):

Property Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
Operator: \_\_\_\_\_  
Owner (optional): \_\_\_\_\_  
Square footage: \_\_\_\_\_  
Building Type: \_\_\_\_\_  
ENERGY STAR Partner: Yes \_\_\_ No \_\_\_  
ENERGY STAR Leader: Yes \_\_\_ No \_\_\_  
ENERGY STAR Label: For year(s) \_\_\_\_\_  
Contact Name: \_\_\_\_\_

Attach Building Photo (jpeg)

Narrative Explanation: Explain why your building deserves special recognition (500 word limit). Include all accomplishments, techniques, participation, statistics, participation in certification/registration programs (such as LEED), etc. The Kilowatt Cup jury will consider all factors, but special emphasis will be placed on innovation, obstacles overcome, long-term commitment and energy efficiency achieved.

Questions: Rick Jaso, 753-1035

**Deadline:** Applications must be received by **March 10, 2010**.
